Quotes valid for 30 days. Pricing is based on the Euro to Dollar exchange rate which may fluctuate.

Orders typically ship 7-10 days ARO unless otherwise noted, subject to stock and prior sale. On shipment quantities of 1000 units or more, lead time will need to be verified on a per release basis.

TD will not insure shipments unless you notify us in writing that you want insurance.
FOB: Cincinnati, OH

****Price for the Evaluation Systems includes 4 hours of technical support.**

*This Quote Is Valid For 30 Days From Date.

*All shipments are not insured unless requested by customer.

*Special Terms and Conditions for Production Orders:

Purchase order must state all products to be delivered in a 12 month period, starting from the first release date. If 90% of the total amount of product is not released to be delivered over a 12 month period, Transducers Direct will grant a three month extension. If after 15 months, 90% of the total ordered quantity has not been released for delivery, Transducers Direct will bill the difference in piece price from the purchase order price versus the actual quantity delivered.

*All non-standard parts are subject to up to 100% restocking fee.*Standard Parts are subject to up to 25% restocking fee.

*International Orders: Customer is responsible for all International Shipping Charges.
